

## Entrepreneurship workshops – Yrittäjyystaitopajat

### Skills and knowledge about entrepreneurship and self-employment

All you ever wanted to know about being an entrepreneur in Finland -> please enroll for free coaching program! Program is free of charge and after the program there is no obligation to start your own business. This program helps you to find your strengths and tell about your knowledge to other. You can also discover new possibilities to employ yourself.

Workshops are held at Sepänkatu 1, building 5A, 70100 Kuopio. Some days we are present for the whole day, from 9 until 15.30, other days we have half day workshops. Workshops include visit´s to co-operative organizations and companies, these are told more detailed when we start.

First workshop start´s at 21 of April if we have enough participants – so please inform your mate entrepreneurs-to-be, too. All participants should live permanently in Kuopio.

In the program you will learn more about the following things:

How to put my professional skills into practice locally.

- 21.4.2020 at 9 am to 3.30 pm.

Name your skills to be recognized and appreciated for. Silja Huttunen

It´s all about motivation – is it? Focus on the goals and motivations on the local market sphere

- 23.4.2020 at 9 am to 12 pm.

To be your own boss: from goals to practices to achievements. Silja Huttunen
